Gwinnett Parent Portal
An online resource for parents

Gwinnett County Public Schools is pleased to offer the Parent Portal, a tool designed to enhance the communication and involvement of parents in their child's education. The Parent Portal allows online, timely, and secure access to monitor your child's academic progress and current attendance. It also allows you to update some information for your child. In order to receive portal access, please complete this form and return it, in person, to the local school **OR** call the school to request a virtual meeting to electronically send the form and verify your information.

Gwinnett Parent Portal
An online resource for parents

Thank you for registering for the **Parent Portal**, a tool designed to enhance the communication and involvement of parents in their child's education in Gwinnett County Public Schools. The Parent Portal allows online, timely, and secure access to review your child's progress in school by providing access to grades, attendance, discipline, academic history, and standardized test results in a secure password protected environment. Below is additional information about the Parent Portal.

Activation Process
Your email address serves as your User ID. **Please print clearly in the blocks.** Email addresses are restricted to 60 characters. Please submit the same email address for all children attending Gwinnett County Public Schools.

Remember to check the box on the registration form if you would like your email address used to receive information from the school system like e-newsletters and school closing notices.

After your registration has been verified at your local school, you will receive an email with the URL for the Parent Portal.

The first time you log into the Parent Portal, you will create a password when you complete the online registration.

Privacy
All student data, user IDs, and passwords are encrypted and password-protected.

Schools verify parent/guardian status before granting access to student data.

After use, be sure to destroy any printouts or documents that include your child's data.

Please keep your user ID and password confidential.
