It is the policy of Gwinnett County Public Schools not to discriminate on the basis of race, sex, religion, national origin, age, or disability in any employment practice, educational program, or any other program, activity, or service.

The Mission of Gwinnett County Public Schools

is to pursue excellence in academic knowledge, skills, and behavior for each student, resulting in measured improvement against local, national, and world-class standards.

This letter is to notify you that all students entering the 7th grade are required to have one dose of Tdap (tetanus, diphtheria and pertussis booster) and one dose of MCV4 (meningococcal conjugate vaccine). Although your student's certificate may not have an expiration date or may be marked complete for school, the law requires that a current certificate be submitted verifying that the student has received both of these vaccines before they enter 7th grade.

Certificates will also be considered in compliance if they provide evidence of medical exemption and have not expired. Parents who previously filed a Religious Affidavit of Exemption with the school do not need to file another affidavit.

Gwinnett County Public School Procedure P.JBA states that a child may be excluded from attendance until a current certificate is submitted.

Students can get vaccinations and certificates of immunization from their private physician or at local health department offices listed below. Please check <https://www.gnrhealth.com/locations> or call the numbers below for health department hours of operations and immunization availability.

As a reminder, if you are financially eligible, your child can receive vaccines at no charge through the Vaccines for Children program, however, there is an administration fee for the vaccines. If you are unable to pay for the administration fee, please ask to speak with the center manager listed above for each local health center for financial assistance. Please bring this letter with you to the health center.

If you have any questions, please contact Kathy Crews @ 770-736-4556 or email [Kathy.Crews@gcpsk12.org](mailto:Kathy.Crews@gcpsk12.org).

Sincerely,

# BACK TO SCHOOL 24
