

Duluth Middle School Basketball Informational Letter

Dear Parents,

Your son/daughter has expressed an interest in trying out for the Duluth Middle School basketball team for the school year 2023-2024. 7th and 8th graders who meet eligibility requirements are permitted to try out. Please Bring an old white shirt to be assigned a number. The number will be written on the back of the shirt with a marker. The assigned numbers will be used when making cuts.

Academic eligibility is determined on the first day of the semester and is based on the student having passed 4 of 5 courses the previous semester (Connections Combined). This means that to try out for basketball this fall semester the student must have passed a minimum of 4 of 5 courses for the previous spring semester. Each student must have current insurance coverage by either the school-approved accident insurance policy or by a family policy. If you need the school insurance, please go to the Athletics Website, or have your son/daughter check with the front office for a form.
