2023 Carnegie Unit Credit Decision Form

You are receiving this form because your child is taking a high school course in middle school. You have the opportunity to accept the Carnegie Unit credit for each high school course listed below. In Georgia, students must earn 23 Carnegie Unit credits to meet graduation requirements. For each course below that you accept the credit, that credit will count towards the 23 credits required to meet graduation requirements.

All courses, with the exception of math courses, are marked **"I DO"** to accept the credit. If you do not want your child to receive credit for a course you should mark **"I DO NOT"**. For math courses, you should talk with your child's current math teacher to determine if accepting the credit is the best option.

If you select **"I DO"**, you are requesting that your child receive a Carnegie Unit for the selected course. Your child will be unable to take this course again in high school. If you select **"I DO NOT"**, you are requesting that your child not receive Carnegie Unit for the selected course. Your child may be required to take this class again in high school in order to meet graduation requirements.
