AP U.S. History is an academically rigorous course which requires hard work and dedication to master the material. Please reach out to us through our emails at garrett.shaffer@gcpsk12.org or matt.king@gcpsk12.org if you have any questions about the summer assignment or the course in general. Have a great summer and we look forward to seeing you and getting to work with you this next school year!

Summer Assignment

Instructions: The summer assignment this year will be to complete the Reading Guide associated with Period 1 in the APUSH curriculum. Open the Summer Assignment link and print a copy of the assignment or make a copy and complete it online and **these will be due the first week of school.** You will essentially use the questions on the Reading Guide as a way to navigate the first chapter of the AMSCO (our textbook). Answer the questions in complete sentences unless specified otherwise. Here is a link to the PDF of the entire first chapter of the AMSCO. The first part of the PDF is just an overview of the course and the content really starts at page 39 of the PDF and ends at page 52. Just copy and paste the link into your browser and it should come up, email me if not!
