2022-2023 School Profile

Gwinnett County Public Schools holds system accreditation through Cognia.

About Gwinnett County Public Schools

Envisioning a system of world-class schools... The largest school system in the state and the 11th largest in the nation, Gwinnett County Public Schools (GCPS) is a diverse district in metro Atlanta, serving more than 180,000 students. The district has 25 high schools, including 20 cluster high schools, two theme schools, a STEM-focused school, an online school, and an open campus high school. Aligned to state-adopted Georgia Standards of Excellence and Georgia Performance Standards, GCPS' rigorous custom standards (known as the Academic Knowledge and Skills or AKS) is combined with exceptional teaching and meaningful testing to form a comprehensive instructional program. Highly qualified teachers, involved parents, and a supportive community are key elements in GCPS' quest to become a system of world-class schools preparing students for college, careers, and life in a globally competitive future.

Graduation and Testing Requirements for the Class of 2022

In order to earn a regular Gwinnett County high school diploma, students in the Class of 2023 must:

- Learn the AKS standards in order to pass classes and earn the required course credits/units (*see below*);
- Participate in state-mandated End of Course (EOC) assessments for designated courses in core areas.
- Subject to future Board action, the Class of 2023 will be required to pass Gwinnett's High School Writing Assessment in U.S. History. Due to the pandemic, the Gateway requirement in Science is waived.

To graduate, Georgia students must earn a minimum of 23 credits (also called units) in required areas of study. Students earn .5 units per class each semester. ([Students on block schedule earn a full credit per class each semester.](#))

<u>Areas of Study</u>	<u>Required Units</u>
English/Language Arts	4
Mathematics	4
Science (3 required and 1 approved elective)	4
Social Studies	3
Modern/Classical Language and/or Career and Technical Education and/or Fine Arts	3
Health and Physical Education	1
Electives	<u>4</u>
Total Units (minimum)	23

About McClure Health Science High School

The vision of McClure Health Science High School is TO BE a world class Health Science High School, known for the quality of its learning experiences and the positive impact it has on the lives of students. WE WILL advance the meaning and purpose in each student's life by providing relevant opportunities for college and career pathways that unfold into a promising future. Students are able to attend our school if they reside in our attendance zone or are approved for a permissive transfer from another Gwinnett County Public School. Our unique health science program allows students the opportunity to take courses that focus on medical terminology, healthcare laws and practices, and skills to prepare for a career in healthcare. We have a growing program that promotes professionalism, community service, and student success.

Please see other side for specifics on demographics, grading, curriculum, and more.

Instructional Hours

Two semesters of 18 weeks each for a total of 180 instructional days for the 2022-23 school year. Six classes meet daily. School calendar runs August to May.

School Enrollment and Demographics

- **Current total enrollment:** 1139, including 269 seniors.
- **Demographics:** 3% White, 16% Black, 70% Hispanic, 9% Asian, 2% Multiracial, 0% Native American

Class Rank/Numeric Average

On a GCPS transcript, class grades for each semester are presented in both a *weighted* and an *unweighted* format. GCPS adds an additional 10 points to the final grade for Advanced Placement (AP) and International Baccalaureate (IB) courses, reflecting the rigor of the class. (No additional weight is given to gifted or honors coursework.) This *weighted* average is used in determining a student's class rank, including valedictorian and salutatorian, and in calculating the Weighted Numeric Average and the Weighted Grade Point Average (GPA). The GPA (5-point scale) is computed at the end of each semester, including all attempted high school courses. Honor graduates have earned a 90% or higher cumulative average that includes all attempted high school courses.

Grades in GCPS

Weighted Numeric Average	Letter Grade	Weighted 5-Point Scale
Above 100% (only AP, IB, etc.)	A	5
90–100%	A	4
80–89%	B	3
70–79%	C	2
70%	F	0

First semester transcripts will reflect the change in grading policy.

Curriculum Offerings

Advanced Placement (AP), Gifted, Honors, and College Preparatory classes are available in each academic area—language arts, mathematics, science, social studies, and modern/classical languages. The school also offers a full complement of classes in health and PE, the fine arts, and career and technical education. AP classes are college-level courses. Gifted classes are rigorous, exceeding grade-level norms. Honors classes are demanding, often exceeding grade-level norms. College prep classes reflect the grade-level norm. Technology permeates a GCPS education, and students develop key skills as critical thinkers, creative problem-solvers, and effective communicators.

Advanced Placement

Available college-level AP courses include English Language, English Literature, Research, Human Geography, Macroeconomics, Psychology, American Government, U.S. History, World History, Calculus AB, Statistics, Biology, Physics 1, Computer Science Principles, Computer Science A, Environmental Science, Seminar, Spanish Language, Spanish Literature, Studio Art, 2D Art

Total Number of AP Courses: 21 **Honors Courses:** 13

Class of 2022 Statistics

- **Number of Graduates:** 118
- **Honor Graduates:** 47
- **Dual Enrollment:** 10
- **Took an AP Courses:** 84
- **Postsecondary Plans:** 68.6%, 4-year college; 11.8%, 2-year college/technical school; 1%, military; 18.6%, employment or other plans
- **Scholarships Offered:** \$2,993,558 (excluding HOPE)
- **AP Scholars:** 12
