

Seckinger High School Work-Based Learning Program

Student Contract

I, _____, do hereby agree and acknowledge that upon my signing out with Mrs. Verroco I will leave the Seckinger High School campus directly. I, as a student, acknowledge that I will not be allowed to return to my locker, nor roam the building after my departure from campus without administrative approval prior to 2:10 PM. Therefore, as a student, I must procure any materials needed prior to my departure from Seckinger High School, or after 2:10 PM in order to refrain from distracting other students involved in the learning environment at Seckinger High School.
