Where Excellence IS the Expectation

August 7, 2023

Greetings Starling Elementary School parents,

My name is Melkis "Amaya" Chavez, I am the Parent Liaison at Starling Elementary. I am very excited about being part of the Starling's "Framily - Where Excellence IS the Expectation" and assisting you in this journey.

I will work with you side by side to help students achieve their goals and have a successful school year. As our partners you are a very important part of this team helping us and taking charge in your children's education and academic success. As the parent liaison I will serve as the bridge between you and the school, I am here to provide you with the appropriate resources and materials to meet the needs of our students. My goal is to provide you the resources that you need and empower you to be able to help your child at home. I can assist you with things like registration, parent portal, mypaymentplus account and more.

I have an open-door policy, please feel free to stop by any time you need assistance, or you can reach me by email at amaya.chavez@gcpsk12.org or by phone at 678 344 3975.

Best regards.

Amaya Chavez

Parent Liaison
