

Student Device Care Expectations

	Use 2 hands to carry your laptop from the bottom. Never hold the laptop by the screen.
	Keep all food and drinks away from your laptop.
	Use your laptop on a table or a desk.
	Keep your laptop at home.
	Nothing should be placed on top of your laptop.
	Keep your keyboard clear. If the lid is closed and there is a pencil, paper, or marker on the keyboard, the screen will crack.
	Store your laptop in a clean bag for safekeeping.
	Watch the cord! Keep your laptop close to the outlet when charging. When not charging the laptop, keep the charger in a safe place.
