## How do you apply for free and reduced-price meals?

- Request a Free and Reduced-Price Meal Application from your child's school, or apply online (beginning July 15, 2022) at [gwinnett.schoolunchapp.com](http://gwinnett.schoolunchapp.com).
- Provide all required information so your child's application can be processed. Incomplete information will delay the process.
- Allow 10 days to process the application.
- Check your application status at [gwinnett.schoollunchstatus.com](http://gwinnett.schoollunchstatus.com).
- If you have children currently receiving free or reduced-price meals in a Gwinnett County school, your kindergartner may be eligible for free or reduced-price meals for the first 30 days of school while your child's application is processed. **Please fill out the Kindergarten Sibling Form.** (See other side of flyer.) Return the completed form to the cafeteria. You also can complete this form online, available on the School Nutrition Program web page.

## Manage Your Child's Meals

Our School Nutrition Program is self-supporting and receives no local tax dollars. The financial health of our program depends on parents keeping accounts up to date. We encourage parents to pre-pay to ensure their child's account always has funds to cover meals. You can pre-pay by the week, by the month, or for the entire year.

- With *Mypaymentsplus.com* you can make payments directly to your child's account using the Internet.
- If you send a check, please write your child's full name and account number in the memo area of the check.
- If you send cash, place the cash in a sealed envelope and write your child's full name, student ID number, and the amount of cash sent on the front of the envelope.
- If you are sending money in for more than one child, include the information for each child.
