

## COURSE REQUEST PLANNING SHEET

As you select your course requests, begin by identifying the core classes that you would like to complete. You should select a course for each core content area and work with your current teachers and parents to identify the appropriate level for each course. Remember that you are required to complete at least one course in each of the following areas each year at PRHS: language arts, math, science and social studies. Once you have identified your core classes, identify elective classes that interest you. Please remember that during the registration process, the classes you select are requests. You are making a year long commitment with your selections so please work with your teachers and parents to ensure that your selections are the best choices for you. You will have an opportunity to review your course requests prior to the end of the current school year. Please remember that students cannot request a specific teacher, the order of their classes, or the semester in which they would like to complete a course.

Freshman Year	
Fall – Requested Classes	Spring – Requested Classes

Sophomore Year	
Fall – Requested Classes	Spring – Requested Classes

Junior Year	
Fall – Requested Classes	Spring – Requested Classes

Senior Year	
Fall – Requested Classes	Spring – Requested Classes

**Alternate Electives:**

**High School Graduation Requirements:**

**English (4):** 9th Lit, World Lit, American Lit, 4th ELA

**Math (4):** Algebra C & C, Geometry, Advanced Algebra, 4th Math

**Science (4):** Biology, Chemistry, Physics, 4th Science

**Social Studies (3):** World History, US History, Economics/American Gov

**Health/Personal Fitness (1)**

**CTE/Fine Arts/World Language (3)** \*It is strongly recommended for students to take at least two years of the same language. Most colleges and universities now require two Carnegie Units of language study as an admission requirement.

**Electives (4)**
