January 18, 2024

Dear Rising Ninth Grade Parent,

We are so excited to welcome the class of 2028 to Mill Creek High School!

The purpose of this letter is to invite you to attend an optional informational session on high school courses for **students with IEPs**. The session will focus on information for parents of students served in our **cotaught and resource classes**. We will discuss diploma options, available special education electives, the academic differences between resource and cotaught classes, and promotion/retention. There will also be time to address individual questions.

This optional informational session will be held on **Monday, February 5 at 6:00 PM** in room **A102** at Mill Creek High School. Following this informational session, you will have the opportunity to attend the registration follow-up Q and A where you will be able to speak one-on-one with the other department chairs, counselors, and assistant principals, as needed. Please note that this optional informational session is in addition to Rising 9th Grade Parent Night on Monday, January 29th from 6:00 – 8:00 PM.

I look forward to meeting with you on February 5.

Sincerely,

Megan Martin
Department Chair, Special Education
Mill Creek High School
