NO MORE ON CAMPUS SESSIONS

It's not cost-effective or efficient for them to come to our campus anymore, now that they have this amazing studio in our city.

On campus will not be an option next year

YEARBOOK

Yearbooks are purchased
through [Jostens.com](https://www.jostens.com)

**On average
we sell 375 yearbooks
every school year**

**It's really expensive to
print a 248 page book**

**We try to avoid
overprinting and taking
a financial loss.**

ONLY 41 LEFT

Yearbooks can be purchased starting in August all the way until April.

The price increases slightly over time

And there is the possibility of selling out if you wait too long

We update this infographic every year and share it out by the first week of school, so that you can plan your purchases.
