WHAT IS A FAMILY AND COMMUNITY ENGAGEMENT PLAN?

It is a plan that describes how our school will provide opportunities to improve family engagement that will support student learning at school and at home. All students and their families are invited and encouraged to fully participate in the opportunities described in this plan. The school will provide information and as many opportunities as possible for the participation of all family members.

WHAT IS A SCHOOL-FAMILY PROMISE?

It is a written agreement that outlines how the school, the students, and the family will work together to ensure your child's academic success. An effective School-Family Promise contains the following elements:

- Clear learning goals that are linked to the school's improvement plan
- Specific skills students will learn during the year
- Strategies that staff, families, and students will use to improve student learning
- Ways to extend learning at home
- Methods teachers and family members will use to communicate about student progress
- Opportunities for family members to observe and participate in the classroom
- Jointly-developed by families, school staff, students, community business partners, and other stakeholders during our Planning Meeting
- Reviewed and revised throughout the year
- Anderson-Livsey will review the Plan.Promise with families during parent/teacher conferences and parent workshops throughout the school year.

LET'S TALK

Anderson-Livsey is committed to frequent two-way communication with families about student learning. Some of the ways we will foster effective communication include Parent/Teacher conferences, student agendas, Friday Folders, Parent Portal, email, school website and phone conferences.

OUR DISTRICT GOALS

Empathy: Cultural competence, staff and student wellbeing, educator diversity.

Equity: Multi-tiered system of supports, opportunity and access, equitable resource allocation.

Effectiveness: Results-Based evaluation system, talent management, educational return on investment.

Excellence: Preferred education destination, post-secondary and workforce readiness, world-class communication and engagement.

OUR SCHOOL GOALS

We will provide all students with high quality curriculum and instruction in a supportive and effective learning environment to meet high academic standards.

Anderson-Livsey Elementary School's Local School Plan for Improvement (LSPI) goals focus on increasing the percentage of students performing at the highest levels on I-Ready assessments and the Georgia Milestones in Math and Language Arts.

Foundational Skills to support goals:
ELA – Reading fluency and comprehension

Math – Fluency and problem-solving skills

WORKING TOGETHER TO ENSURE SUCCESS

Anderson-Livsey will...

- Provide literacy workshops for parents to show strategies to help increase reading comprehension and math problem solving skills-

- Share educational websites that help develop reading comprehension and math problem solving skills

Principal's Signature Date

As Students, we will...

- Spend time at home practicing reading comprehension skills learned at school.
- Spend time practicing daily math skills with families to increase problem-solving, mastering math facts and math reasoning.
- Practice reading and writing skills by using my school and class webpages through eclass.

As Families, we will...

- Attend parent workshops and school-wide events, when possible, to learn literacy and math problem solving strategies through activities and support my child's learning at home.
- Spend time using technology resources, reading books, magazines and/or newspapers together

with my child using reading and math strategies learned at literacy and math workshops to support my child's learning at home.

VISIT OUR PARENT CENTER
