

College of
Veterinary Medicine
UNIVERSITY OF GEORGIA

VetCAMP

AN ATHENS CAMPUS
SUMMER PROGRAM

VetCAMP is a week-long overnight camp for highly-qualified high school students who are interested in veterinary medicine.

ELIGIBILITY: Students must be current 10th, 11th, or 12th grade high school students (at the time of application) who are interested in veterinary medicine. They must submit an application for consideration (spots are limited) by application deadline.

COST: The cost for the week is \$1000 and covers lodging, meals, instruction and social activities. Financial assistance is available to those students with demonstrated need.

- Work side-by-side with faculty & students in our hospital
- Tour all our facilities - including a behind-the-scenes visit to Georgia Aquarium
- Activities to assess skill & potential for careers in veterinary medicine
- Spend a week living like a vet student - dorms, dining hall, college life!
