Our Intramurals Club is a great opportunity for students to have fun and be active before school. Under the supervision of a certified teacher, students will have the opportunity to play basketball or other large group games.

Students can participate in as many or as few sessions as is convenient; they are not required to attend every session. Students are not required to be in the gym right at 8:15. Teams will be selected by 8:25.

Each student must turn in this permission form before participating in his/her first session. Sign on to the following Google Form and sign off stating you wish to participate in Intramurals.
