

MY eCLASS

What's new in GCPS' Student Portal for 2020-21?

This year, the MYeCLASS Student Portal is easier than ever to use! You'll find your grades and schedules in a new location, with easy-to-use tabs, more detail, and a student-friendly format.

We know that students want easy access and a consistent platform to find schedules, grades, and assignments.

- A** When you log into MYeCLASS using your GCPS student number and password, you'll find a new tab called **My StudentVUE**.
- B** In StudentVUE, use the tabs on the left side to navigate to your **Messages, Calendar, Attendance, Schedule, Course History, Course Request, Grade Book, Student Info, and Documents**.
- C** On the **Class Schedule** tab, you'll find your classes and teachers.
- D** The **Grade Book** tab shows you your classes and grade averages for the grading period.
- E** With the **Detailed Grade Book** tab, you can drill down into any class to see a detailed view of current and future assignments, including missing work.
