

BROOKWOOD SUMMER INTENSIVE CREDIT RECOVERY PROGRAM

2024

Summer Intensive Credit Recovery (SCR) is a program for students who did not pass a class and earned a grade between the ranges of 50% to 69%. Students can take a condensed version of the course to earn credit towards graduation. Successfully completed CR grades will appear on a student’s transcript, but they will NOT replace the failed grade.

Who is eligible? Students who meet the criteria above are eligible. SCR is offered at a standard, college preparatory class level. Resource, Co-Taught, Honors, Gifted, Accelerated, and Advanced Placement courses are not available.

When is the Summer Intensive CR session offered? The Summer Intensive CR session and registration dates are listed below. **Students must attend BOTH days of the face-to-face sessions for the entire time each day.**

REGISTRATION DATES	SESSION DATES/TIMES
May 1st – May 22nd	Monday, June 3 rd (9:00 AM – 3:00 PM) AND Tuesday, June 4 th (9:00 AM – 3:00 PM)

Is there a maximum number of students who are accepted?

- Yes! To ensure there are enough facilitators to support our Credit Recovery structure, there is a maximum number of students accepted. Thus, students will be registered on a ‘first-come, first-served’ basis until we reach the maximum number of students allowed.

How does the program work?

- Brookwood uses a self-paced class with embedded tests for Credit Recovery.
- Students may take only ONE Summer Intensive CR course. Make math the priority if more than one class is needed.
- **NCAA does NOT recognize this Credit Recovery program for eligibility purposes.**
- Special Education and 504 accommodations are NOT supported by the Summer Credit Recovery program.

What is the cost for the Summer Intensive Credit Recovery?

- **\$65 payable on mypaymentsplus.com (non-refundable)**

What are the requirements for participation?

- Students must meet attendance and behavior expectations. Students who do not meet such expectations will be withdrawn from SCR. Payment will not be refunded, and students will not be rolled over to a future CR session. As such, students will need to re-register and re-pay to take the missed course in a future CR session.
- Students must bring their Chromebook and power cord each day of the SCR session. Students will not be able to access the course content without them.
