

Dear Dacula Families,

We will administer the **PSAT on Tuesday October 29, 2024 at 7:15 am at Dacula High**. All 10th and 11th graders should click on the link to learn more about the digital PSAT and to access practice tests and resources <https://satsuite.collegeboard.org/psat-nmsqt>. No action is needed for our 10th or 11th graders to register for this test. Tenth and 11th graders will be automatically registered by the school.

You will receive more information as the Digital Readiness Day and Test Day approaches. Your assigned testing rooms and locations will be available in Student Support Time approximately 2 weeks before the test. **Our Digital Readiness Day is Thursday, October 24, 2024 at 7:15. Students must bring their own Chromebook and charger on BOTH DAYS.**

About the PSAT:

The Scholarship Qualifying Test (PSAT/ NMSQT) is a program co-sponsored by the College Board and National Merit Scholarship Corporation. It is a standardized test that provides firsthand practice for the SAT. It also gives students a chance to enter NMSC scholarship programs and gain access to college and career planning tools.

Students who take the test will gain a better understanding of how they might do on the SAT. Scores from the SAT help colleges/universities evaluate how ready you are for college-level work.

If you have any questions or concerns please contact me via email Stacey.schepens@gcpsk12.org.

Sincerely,

Dr. Stacey Schepens
Assistant Principal
