

Hull Middle

2024-2025

Do you love solving math problems? Are you able to answer a variety of math questions both mentally and by working out problems? If so, MathCounts might be the perfect fit for you! Mathcounts provide engaging math programs for U.S. middle school students of all ability levels to build confidence and improve attitudes towards math and problem solving. Students compete individually and/or on a team in the chapter and state competition.
