STUDENT VERIFICATION FORMS

For the safety and well-being of students, it is imperative that a verification form be completed for every student. It must include current address and phone number, medical conditions, emergency numbers, and a valid parent signature. If changes occur during the year, parents should notify the school office in writing. This form must be on file before students are allowed to check out. A parent will have to come to school to check the student out. No one will be allowed to check a student out unless they are listed on the verification form and valid photo identification is presented to school personnel.

CLINIC INFORMATION

The school provides limited emergency first-aid to students who become ill or suffer injuries at school. The parent/guardian will be called, and the student will be sent home if he/she is too sick to remain at school. No student is to remain at school, if he/she shows evidence of an acute illness, a temperature of > 100 F, vomiting, or diarrhea.

The school must be provided with current home, business, and emergency telephone numbers so that parents/guardians may be contacted if necessary. If numbers should change during the school year, please contact the school office.

Aspirin, Tylenol, and other non-prescription medication can only be given to students if the medications given to the school clinic are in the original labeled container along with the appropriate form filled out and signed. Prescription medications along with the permission forms need to be brought to the clinic. Students should not have any prescription or non-prescription drugs on their person. If a student is found in violation of this rule, it may result in disciplinary action. If a student needs to keep a medication with them (e.g., inhalers or EpiPens), a letter from a physician stating the necessity of this action must be provided to the school.

If it is necessary for a student to have an over-the-counter medication continuously for an extended period (more than two weeks), it will be necessary for the parent/guardian to have a physician complete a request for medication form giving the school permission to administer the medication. If a medication is changed or a

dosage is altered, a new form must be completed and an appropriately labeled container provided. All medication not claimed by a parent/guardian at the end of the school year will be discarded. Students cannot transport medication home. bc0076szaXZCDSZX

After receiving written permission, a staff member may assist the student in taking medications. However, in no event will any representative of the school assure a parent/guardian that anything more than a reasonable effort will be made to assist the student. Neither the school, nor its staff, can guarantee that any student will take a particular medication correctly. If there is a medical situation that could be potentially dangerous, please notify the counseling office immediately.

DELIVERIES

In order to protect the learning environment, the school **will not** accept delivery of gift items (flowers, candy, balloons, fast food, etc.) for students. Students may not order from food delivery companies like UberEats, Grubhub, Doordash, etc. Items delivered to the school will be held in an administrator's office and students can retrieve them at 2:10 pm.

EMERGENCY MESSAGES FOR STUDENTS

Messages will only be delivered in the event of an emergency. Before a class is disturbed, the main office will first verify that the message is from a parent or guardian.

GENERAL STORE

Shiloh High School is not responsible for lost or stolen articles.

LOCKER RENTAL POLICY

Lockers should be kept clean and orderly. Do not share your locker combination with other students. Lockers are to be kept locked at all times when the door is closed. Any locker problems/damages with your locker must be reported to the attendance office or an administrator immediately. **LOCKERS ARE THE PROPERTY OF THE SCHOOL AND MAY BE SEARCHED BY SCHOOL OFFICIALS.**

This includes but is not limited to cell phones, ear buds, wallets, money, credit cards, shoes, clothes, etc.

LOST AND FOUND

Items found in and around the building will be taken to the 10th grade Office, located in the commons, and kept for a limited period of time. Items can be claimed before or after school, or during lunch. If students lose

valuables, they should report it immediately to the Main Office.

PERSONAL PROPERTY

Students are responsible for their own personal property. Students should not bring valuable items or large amounts of money to school. Care should be taken in securing valuables at all times. Locker combinations should not be shared with anyone. Shiloh High School is not responsible for lost, misplaced, or stolen items, including items placed in lockers. Due to limited resources, Shiloh High School will not be able to investigate lost or missing items.

Parking on campus is a privilege and can be revoked at any time. More detailed information is found on the Parking Permit Application. A State Approved Driver Education program must be completed prior to a parking permit being issued.

There will be no loitering in the parking lot after school is dismissed. Drivers and passengers must leave the automobile and parking lot immediately upon arrival and report to their assigned classroom.

Parking stickers may not be transferred to a vehicle other than that on the original application. New vehicles or any changes of vehicles must be registered with the parking lot attendant (10th Grade Office in the commons).

Drivers who violate attendance policies will be subject to loss of parking privileges.

Once a student has arrived on campus, the student is not allowed to leave without going through the checkout procedure.

Students are not allowed to leave campus for lunch. Students leaving will be subject to disciplinary action and the food items brought back in to the building will be confiscated and held in an administrators office until 2:10 pm.

Shiloh High will not be responsible for damage, theft, or vandalism that occurs while parked on school property.

ALL AUTOMOBILES BROUGHT ON CAMPUS ARE SUBJECT TO SEARCH BY SCHOOL OFFICIALS.

CURRICULUM AND INSTRUCTION

VALIDATION OF WORK FROM NON-ACCREDITED SCHOOLS

In accordance with the Southern Association of Schools, please be aware that Gwinnett County Public Schools will validate competency, by course, before awarding Gwinnett County Public School credit for work completed at a home school or private school that is not accredited by the Southern Association of Colleges and Schools or its equivalent.

Students entering a Gwinnett County Public High School from a non-accredited private school will be required to validate competency through testing or through scholarship performance in specified trailer courses. Students entering from a home school will be required to earn credit through testing.

If you attend, or plan to attend, a non-SACS accredited school or a home school and subsequently request credit for the experience from a Gwinnett County public school, please check with local school personnel for details involving awarding of Gwinnett County Public Schools credit.

GIFTED EDUCATION PROGRAMS

Gifted Education in the Gwinnett County Public Schools is a part of the system's Center for Educational Programs. The procedures for identifying and placing students in the gifted program, which is funded by the state, are governed by the rules and regulations approved by the State Department of Education. Referrals to the gifted program may come from teachers, parents, peers, or as the result of system wide testing scores. A school's gifted eligibility team reviews referrals throughout each school year to determine which students will be evaluated. A child may be referred once during grades K-2, once in grades 3-5, once in middle school and once during high school. The evaluation includes the student's mental aptitude, achievement, creativity and motivation. Private evaluations and testing may not be substituted for test data generated by the local school.

ENGLISH FOR SPEAKERS OF OTHER LANGUAGES (ESOL)

The goal of the ESOL program is to provide an opportunity for students whose dominant language is not English to acquire oral and written communication skills in English that will enable them to function in school and in the community. This includes developing competency both in the English needed for social interaction and the academic English needed for successful participation in the formal curriculum. The school system identifies those students whose primary home language is not English.

ACADEMIC INTEGRITY

Believing that the individual worth of the student is important in developing his or her talents and abilities, the faculty of Shiloh High School commits itself to helping students achieve academic excellence.

Furthermore, the faculty maintains that students who cheat deny themselves the opportunity to develop and enhance these talents and abilities. Consequently, students who cheat will receive a zero on the assignment or may be subject to disciplinary referral.

GRADING SCALE

100-90 = A
89-80 = B
79-70 = C
69 and below = F

SCHEDULING

Students select classes once a year during Spring Registration. Teachers and counselors make every effort to explain graduation requirements and various courses of study. Parents are encouraged to take an active part in planning the student's educational goals. Students have specific periods of time to request a schedule correction at the beginning of each semester. Schedule changes for teacher preference, elective changes, or rearranging the schedule will not be honored.

TEXTBOOKS

All textbooks are furnished by the Gwinnett County Board of Education. Each book issued has a number and it is the student's responsibility to take care of books. Students are required to pay for lost or damaged books. Damaged textbooks are subject to being charged the full replacement value of the damaged textbook. Subsequent books will not be issued until this obligation has been met. Students must return all textbooks or pay for them before taking final exams.

CONTRIBUTIONS

Parents and guardians are given the opportunity to make financial contributions at the beginning of the school year to help support the academic program at Shiloh High School. These funds are over and above those provided by the Q.B.E. Act of 1985 and enable teachers to enhance student learning. No student will be denied access to or participation in a course funded by the Gwinnett County Board of Education.

EXAMS/EXEMPTIONS (Graduating Seniors Only)

Students are not permitted to exempt a state End of Course Assessment. However, they can exempt a District Assessment (DA) as permitted by the county or course final.

Students who are eligible to exempt an exam may choose to take the exam without the risk of lowering the final average. The exam can improve the average but cannot lower it. Students in AP and IB courses can qualify to exempt if the overall average is a 90 with the 10 points added. If a senior takes an EOC, they are exempt from taking the performance final for the course. In order to exempt a final exam, graduating seniors must meet the following criteria:

Honor Graduates: High school graduating seniors who have an overall "A" average, 90% or greater, will be exempt from taking local semester examinations for the second semester except when an EOC Assessment is required.

Seniors: High school graduating seniors who have an "A" average, 90% or greater, in a specific course may be exempt from taking a local second semester examination on a course-by-course basis.

END OF COURSE (EOC)

End of Course tests will be given during the final weeks of 2nd semester in 11th grade Language Arts, US History, Biology, and Algebra I. These tests will count as 20% of the final grade and cannot be exempted.

FIELD TRIPS

Students and parents should be aware that there is no guarantee of refunds for deposits or prepaid trips. If a student is not passing all classes, has disciplinary consequences, or is otherwise not in good standing, at the time of the trip, he or she may not be permitted to attend.

ACADEMIC LETTERS

Academic letters are awarded each year to students who qualify by having a 90 or above cumulative average from the previous year. Students who qualify are notified and honored in the Spring.

HONOR GRADUATES/VALEDICTORIAN/SALUTATORIAN

Seniors who earn a cumulative grade point average of 90 or above for their coursework in high school will be awarded the distinction of Honor Graduate at graduation ceremonies. A student needs two semesters of core courses at Shiloh High in order to be considered for Honor Graduate status or class rank. Those identified at the end of the Fall semester will receive a gold cord at Honors Night in the Spring. Those achieving this status at the end of Spring semester will also be recognized at graduation with those previously named.

The student named Valedictorian will be the senior with the highest overall cumulative average at the end of the first term of the senior year and the Salutatorian, the second highest overall cumulative average. This rank is determined midyear only. In order to be eligible, both students must be enrolled at Shiloh High 1st and 2nd semester of junior and senior year. The Valedictorian and Salutatorian must not have been found in violation of cheating. Both students must have no disciplinary referrals, which resulted in In-School Suspension or Out-of-School Suspension. In the case of an appeal, the decision of the appeals committee will be final.

GRADUATION

The graduation ceremony is by invitation to those who have met all credit requirements, as indicated in the senior letter that is mailed in December. Detailed information regarding course requirements can be found on the Gwinnett County Public School's website. Seniors and their parents are strongly encouraged to attend the Senior Meeting in September for a thorough review of requirements and the college application process. Seniors who have met all requirements except for passing the Gateway Exams may walk. However, they may receive a certificate of attendance rather than a diploma. When testing requirements are met, a diploma will be granted. Students must also have returned all textbooks, library books, school issued items and cleared all fines and fundraiser commitments.

Appropriate behavior before and during ceremonies is expected. Students may not alter their caps and/or gown. Students may not decorate their caps and/or gowns. Dates for graduation may be changed due to inclement weather (snow days) during the school year. Exact dates and times will be confirmed in Spring.

TESTS REQUIRED FOR GRADUATION

Students who enroll in the ninth grade for the first time in the 2021-2022 school year and subsequent years shall meet the graduation requirements specified by board policy and the assessment requirements specified in Rule 160-3-1-.07 Testing Programs - Student Assessment, as well as the local assessment requirement, which is participation in a college entrance exam such as SAT or ACT.

HOMEWORK REQUEST POLICY

Homework assignments can be requested through the Academy Office when students are planning to be absent for three (3) or more days. Assignments can then be picked up from the Academy Office from 2:30 to 3:00 the following day. The parent must make the request. When only one or two days are missed, make-up work is arranged by the student upon his/her return with the classroom teacher. Failure to arrange to do make-up work within five (5) school days will result in "0" for the work missed.

HOSPITAL/HOMEBOUND

A student who has a medically diagnosed physical condition restricting him/her to home or hospital confinement for a minimum of ten (10) consecutive school days may be eligible for Homebound instruction. Parents should contact their student's counselor for further information and to request services.

HOMELESS CHILDREN AND YOUTH

The Stewart B. McKinney/Vento Education for Homeless Children and Youth Act ensures the educational rights and protections for children and youth experiencing homelessness. It provides legal protections for children and youth in homeless situations to enroll in, attend, and succeed in school and preschool programs. In accordance with the law, Gwinnett County Public Schools affords homeless children and youth equal access to the same free, appropriate public education, including a public preschool education such as Head Start, Even Start, State Pre-K, and Title I Preschool Programs as provided to other students. Please contact the school for further information.

ATTENDANCE POLICIES AND PROCEDURES

School attendance is important because it underscores the significance of learning and the importance of obtaining an education in our society. In addition, it helps students develop good work habits, which will carry over in life. Good attendance also correlates strongly with improved grades. A minimum level of attendance is required for attainment of the Academic Knowledge and Skills (AKS) curriculum. The responsibility of school attendance is that of both parents and students.

The Superintendent has designated the minimum levels of attendance in procedure consistent with state standards. To this end, Shiloh High School will encourage and promote consistent daily attendance.

ABSENCES

Students are allowed seven excused absences with parent notes per semester; after that, formal documentation is required. Examples of formal documentation include the following: Doctor/hospital, court/government mandated, funeral brochures/programs. Students **MUST** bring this documentation within 48 hours upon their return to school in order to receive make-up work. Field trips, In-school Suspension (ISS), and/or school sponsored events are not considered absences. Out of School Suspension (OSS) is counted as an excused absence but is not included in the seven-day rule.

Compulsory Attendance - Official Code of Georgia (20-2-690.2): Every parent, guardian, or other person residing within this state having control or charge of any child or children between their sixth and sixteenth birthdays shall enroll and send such child or children to a public school, a private school, or a home study program that meets the requirements for a public school, a private school, or home study program; and such child shall be responsible for enrolling in and attending a public school, a private school, or a home study program that meets the requirements for a public school, a private school, or a home study program.

CERTIFICATE OF ATTENDANCE AND ALCOHOL DRUG AWARENESS PROGRAM (ADAP) VERIFICATION

Students may request their certificate of attendance and ADAP verification before school, after school, and during their assigned lunchtime. There is a two (2) day turn around for this information. The cost for the certificate of attendance is \$3.00. There is no charge for the ADAP verification.

MAKE-UP WORK

All preassigned work for a class will be due on the day a student returns to that particular class after an absence or according to arrangements made with that teacher. Students will be given five (5) days to make up work or follow other arrangements granted by the teacher. All incomplete work carried over into a new marking period should be completed no later than the tenth day of the following semester to ensure GHSA guidelines are followed.

ABSENCES FROM SCHOOL POLICY

State law requires attendance at school from ages 6-16 (until 16th birthday). It also authorizes strict penalties for non-attendance. Students will be excused from school under the following circumstances, as a minimum:

1. Personal illness or attendance in school endangering a student's health or the health of others.
2. A serious illness or death in a student's family necessitating absences from school.
3. A court order or an order by a governmental agency, including pre-induction physical examinations for service in the armed forces, mandating absence from school.
4. Observing religious holiday, necessitating absence from school.
5. Conditions rendering attendance impossible or hazardous to student health or safety.
6. A student, whose parent or legal guardian is in military service and has been called to active duty or is on leave from overseas, shall be granted excused absences, up to a maximum of five school days per year.
7. A period not to exceed one day is allowed, at **the discretion of the local administration**, for registering to vote or voting in a public election.
8. Local Boards of Education shall count students present when they are serving as pages for the Georgia General Assembly.

Students who are enrolled for the current school year who do not attend school for ten (10) consecutive days and the school is not notified of the absence by the parent/guardian are considered withdrawn. Students that are withdrawn for non-attendance will need to be re-enrolled by the parent and provide all enrollment documentation similar to a newly enrolling student.

A student who is not present for at least half the school day (three periods) will be counted as absent for the entire day.

PREARRANGED ABSENCES

If a parent or guardian finds it necessary for students to miss school due to an unexcused out of town trip (limit 5 days per year), absences must be approved by the administration. If the absence is approved, it will be classified as unexcused, but students will be allowed to make up missed work. Please note that pre-arranged absences count under the more than ten (10) day unexcused absence limit and withholding of credit policy. Senior students are allowed three (3) days for college visitation (see College Visit Absences policy below).

COLLEGE VISIT ABSENCES

Attendance at school is a key factor in student achievement. When a student misses a class for any reason, it is difficult to make up the work missed. Unless the student is absent for one of the reasons recognized by the State of Georgia, the absence is unexcused and missed work cannot be made up. However, seniors are allowed to have three college visits each semester that will be counted as excused absences. If a student has

more than three college visits in a semester, it will be counted as unexcused and a Prearranged Absence Request must be completed to request permission to make up missed work. The student must provide dated documentation (dated program, letter from registrar, bookstore receipt, etc.) of their college visit for it to be excused.

SHILOH ATTENDANCE PROCEDURES

A student must bring a signed note from the parent or formal documentation within 48 hours upon return to school or checking into school late. Notes are to be turned into the Main Entrance Kiosk before school, during a class change, during lunch, or after school or by the student to the clinic during transitions or during lunch.

1. Absences and tardies to school may be **EXCUSED** for:
 - a. Personal illness or illness/death in immediate family.
 - b. Religious holiday.
 - c. Mandates by government agencies.
 - d. Service as a page in the General Assembly.
 - e. Military physical or doctor's appointment.
 - f. A period not to exceed one day is allowed, at the discretion of the local administration, for registering to vote or voting in a general election.
 - g. Local boards of education shall count students present when they are serving as pages for the Georgia General Assembly
2. Absences are **UNEXCUSED** for all other reasons, including but not limited to:
 - a. Missing the bus, oversleeping, power outage.
 - b. Vacations, trips, family visits, church retreats (use pre-arranged absence request form for these).
 - c. Car trouble, babysitting, running errands.

Students must submit all absence notes to the Main Entrance Kiosk or the clinic within 48 hours of their absence. Students are responsible for requesting makeup work from each individual teacher.

EXTRA-CURRICULAR ATTENDANCE POLICY

A student must be counted present for the school day in order to participate in all extracurricular events after school for that evening. This includes practices, productions, athletic events, and other school related activities. In order to participate in an event that is held on the weekend, a student must be counted present for the school day on Friday prior to the weekend. This includes dances, games, plays, etc. Students must be present for *all periods* the day before or the day of Prom in order to attend Prom. **Students assigned to ISS, OSS, or pending Tribunal on the day of an extracurricular activity may not participate in that activity.** The State of Georgia does not allow students to miss more than ten days in any one class during the school year for school related activities. Students may make up any work they have missed because of participation in the activities.

EARLY DISMISSAL (CHECKING OUT)

Any student that leaves campus during the day must check out through the Main Entrance kiosk. Contact with the parent will be required before a student is released from school. A student who leaves without checking out will be considered AWOL and will be subject to disciplinary actions. Excused reasons for checking out of school early are the same as those for full-day absences. Parents, Guardians, Emergency Contacts, or individuals authorized to check out a student, must come inside the building to check their student out and will be required to show a picture ID; they will also need to be listed on the student's emergency contact information. Only a verified individual can check out the student and they must be present. A doctor's note may be required for excessive check outs.

The officers, employees and officials identified in this procedure/process/practice/manual/handbook are charged with using their personal judgement and deliberation in executing the functions and tasks set forth herein and nothing in the procedure/process/practice/manual/handbook should be construed or interpreted to create and ministerial duties on behalf of any officer, employee or official.

TO CHECK-OUT EARLY

1. Student check-out is from 7:05AM-1:45PM.
2. Students must be checked out in person by the parent/guardian listed on the student's profile.
3. Photo identification of the parent/guardian is required.
4. If a student does not check out through the Main Entrance kiosk, he/she will be considered AWOL from class/school.

TO CHECK-OUT SICK

Students who become ill during the school day must go to the clinic prior to checking-out. If a student is too ill to remain at school someone listed on the emergency contact information will be contacted by phone. If a student becomes ill and leaves campus without checking out, the students will be considered AWOL from school.

TO CHECK-IN LATE

In order for a student to receive an excused check-in to school a parent must bring the student into the building and check them in at the Main Entrance Kiosk. Students arriving without a parent will be considered Tardy or AWOL.

MEDICAL AND DENTAL APPOINTMENTS

Students should try to schedule appointments for after school. If medical appointments are scheduled, students must present proof of appointment upon their return for this absence to be considered excused. A receipt for services will be sufficient. Students who drive to school are required to present a note at the beginning of the school day so that it may be verified by a parent/guardian listed in the emergency contact information prior to leaving campus.

DELIVERIES TO STUDENTS IN CLASS

The school WILL NOT interrupt instructional time for any items dropped off for students. Students may pick up these items at the Main Entrance Kiosk before school, during their lunch, transitions, or after school. The school will not be responsible for items not delivered. ***In addition, the school CANNOT accept deliveries such as but not limited to the following: outside food, balloons, flowers, etc. School personnel will refuse delivery of such items.***

We will not accept cash for student's lunch at the school. All lunches are charged through MyPaymentsPlus and parents should use that platform to add money to student's accounts for lunches.

SCHOOL DISCIPLINE

In addition to the “Conduct Behavior Code” distributed in the county’s Student/Parent Handbook, local schools develop their own rules and procedures. Shiloh’s rules include but are not limited to:

PARTICIPATION CODE FOR EXTRACURRICULAR ACTIVITIES

Each student at Shiloh High School who accepts membership and/or holds an officer position in a school

organization becomes a representative or ambassador of that particular organization and of Shiloh High School. Membership in a school activity is an honor and a privilege carrying with it important obligations for the participating students. These students understand the responsibilities of a school leader in the areas of academic performance, club participation, school attendance, and student conduct. Any student assigned In-School Suspension (ISS) or Out-of-School Suspension (OSS) will be ineligible for any practice/competition on the day of the suspension. Friday suspensions will result in weekend ineligibility for practice/competition.

STUDENT-ATHLETE CODE OF CONDUCT

Participation in interscholastic athletic competitions is a privilege extended to the students by the Board of Education. Students participating in Georgia High School Association (GHSA) extracurricular athletic activities act as representatives of Gwinnett County Public Schools (GCPS) and Shiloh High School. All students are expected to conduct themselves in such a manner as to meet the highest standards of GCPS and Shiloh High School at all times.

The Code of Conduct is designed to establish high expectations and standards for all students participating in GHSA sanctioned athletic activities. All students, parents, and coaches understand that the top priority is academic achievement. The Code of Conduct establishes high expectations regarding behavior and consistent consequences when violations occur.

The Code of Conduct goes into effect on the first day a student joins Shiloh High School athletic team. The Code remains in effect for the entire calendar year, including time when school is not in session. It is our intent to enforce rules that reasonably pertain to the health and safety of the individual and to the integrity of our athletic program. We are not police officers and do not intend to go out looking for violators. We have a great deal of faith and trust in the students in our program. Their welfare is our number one concern. What happens to them is of primary importance to us.

ACADEMIC PERFORMANCE

Each student in a school organization must meet the standards set forth by the State Board of Education and as set forth by the constitution of that particular organization.

CLUB PARTICIPATION

Each club must file a constitution in the athletic office that sets forth the guidelines for membership and participation. Students will adhere to these guidelines.

MEDIA CENTER POLICIES FOR STUDENTS

Media Center hours - Monday - Thursday 6:45am - 3:00pm; Friday 6:45am - 2:30pm

Use of the Media Center's computers and access to the network is a privilege—not a right. Students who fail to follow the rules may have these privileges withdrawn and administrative action may be taken.

Gwinnett County provides subscription databases to all students. These research resources are the first place a student should go to find reliable and accurate information. To access the databases from home, students need to pick up a list of passwords from the Media Center.

All students must present a pass from the current teacher to enter the Media Center.

Shiloh's Media Center has over 18,000 materials (books, videos, and other resources), 20 magazine subscriptions, and 2 newspaper subscriptions. In addition to all of the print resources available, we also have many student computers and access to databases that can assist in all kinds of research.

- Students may check out up to three (3) books at a time.
- The checkout period for books and back issues of magazines is three weeks.
- Students may not check out books if they have overdue books or owe fines. The fine charge for regular books is .05 a day. There is a 3-day fine waiver for overdue books, however students will be charged on the 4th day if the book has not been returned.
- The student who checks out the book is responsible for it and is required to pay for it if it is lost, stolen, or damaged.
- Per Gwinnett County Public Schools policy, the replacement cost for paperback books is \$10 and \$20 for hardback books. Reference book replacement is \$50.
- A book may be renewed unless another student has requested the same book or if the book is an especially popular title. All fines must be paid before a student can renew a book.
- Lunch Time Visits -Students may visit the Media Center during their assigned lunch period without a printed pass, but will be required to return to class at the end of their lunch. The Media Center staff will verify the student's lunch period and ensure those students without a pass leave

when the bell rings for the next lunch period to report back to class. Student's that are non-compliant may receive disciplinary consequences.

- Food and drinks are not allowed in the Media Center.
- Printing costs are .10 for black and white and .50 for color pages. Copies are .15 a page.
