

2024-2025 School Year

Mill Creek High School Dual Enrollment Checklist

- Attend a Dual Enrollment (DE) Information Meeting or watch/review the DE Presentation on Mill Creek's website.
- Research! Research! Research!
 - What are the college's admission requirements? No flexibility on these requirements.
 - Where do you plan to go to college after graduation? Will the college accept DE credits? Does the college prefer students take AP courses instead of DE?
 - Are you mature enough to handle the additional responsibilities of a DE student?
- REMEMBER MILL CREEK'S DEADLINES: Fall 2024/Summer 2024 – Mill Creek's DE Contract due to MCHS & apply to the college by March 13, 2024; Spring 2025 – Mill Creek's DE Contract due to MCHS & apply to the college by October 30, 2024**
- Complete the 2024-2025 Dual Enrollment Information Form:
<https://forms.office.com/r/dMVyxHgkTs> or use this QR Code 
- Complete the Mill Creek Dual Enrollment Contract and turn it into Mrs. Griffin.
- Take the SAT/ACT/ACCUPLACER (if needed) before Mill Creek's &/or college admission deadlines – request scores to be sent to colleges when registering for the test; don't wait until scores are received. Send AP scores to the college as well to exempt intro level courses.
- Both Student and Parent/Guardian completes their portions of the Dual Enrollment Funding Application on GAfutures.org; this is done once a year for each college the student attends. Make sure you are using the 2024-2025 application – opens usually in February.
- Apply and gain acceptance to the college you wish to attend for DE. Students are responsible for following the college's application procedures and meeting all deadlines.
- After receiving your acceptance to the college, schedule an appointment to meet with Mrs. Griffin to plan your Mill Creek and college classes.
 - Part-time Dual Enrollment students will need to plan all college classes around their Mill Creek schedule (course selections and times of their classes). Mill Creek schedule must be finalized by **May 8, 2024**.
- Part-time DE students will need to make all transportation arrangements for their college classes. Parking passes are not guaranteed for DE students and DE students are unable to be on Mill Creek's campus on days/class periods they do not have their college class(s). Students also are unable to remain on MC's campus to complete their online classes as well. No Exceptions.
- Register for classes at the college. Follow the college's procedure for registering for classes.
- Turn in a copy of your college schedule to Mrs. Griffin.

Dual Enrollment Students are responsible for completing all high school graduation requirements to participate in the graduation ceremony.

The counselor's responsibility is to make sure students meet requirements to GRADUATE from high school. The student's/parent's or guardian's responsibility is to research what will transfer to which college/major (the counselor can help direct but can't speak for a college).

Dual Enrollment College Options & Deadlines

ALL COLLEGE ADMISSION REQUIREMENTS below are SUBJECT TO CHANGE!

It is the student's/parent's or guardian's responsibility to verify college admission requirements.

**Mill Creek's Dual Enrollment Deadlines: Fall 2024/Summer 2024 –
Mill Creek's DE Contract due to MCHS & apply to the college by March 13, 2024;
Spring 2025 – Mill Creek's DE Contract due to MCHS &
apply to the college by October 30, 2024.
College deadlines could be earlier or later – but students must meet Mill Creek's
deadline to participate regardless of colleges' deadlines.**

Part-time Dual Enrollment students must select college courses around class times & courses they have selected to take at Mill Creek. Student's Mill Creek schedule must be finalized by May 8, 2024.
