

Brookwood Takes Region Earns 1st place medals in 22 of 23 events

Three teams from Brookwood High School competed at the 2020 Regional Division C Science Olympiad tournament at East Georgia State College in Swainsboro on February 15. The A team finished first place, the B team finished second place, and the C team tied for third. These results qualify Brookwood to participate in the state competition at Emory University on April 4 for a chance to qualify for Nationals.
