

Accessing eBooks - Destiny Discover App

1. After downloading the **Destiny Discover App** from the Apple or Google Play Store, type in the school name. Click on **That's my school** if the correct school name is populated. Log in to eCLASS when prompted.

2. Click the **Search Icon** at the bottom. Narrow the search to **eBooks**. Type in a subject, title or author's name in the search box. For this example, I typed in "humor".

3. Click on the **Library Icon** at the bottom to view your current checkouts. Click the **Downloads Icon** to download the book for offline viewing.
